

NHERI GSC General Meeting Minutes — October 21, 2022

Hi everyone!

Thank you for attending our October General Meeting. Although we had originally planned to have both Dr. Tim Cockerill and Dr. Adam Zsarnoczay as speaker, Dr. Cockerill was not able to join us. However we did hear from Dr. Zsarnoczay, who gave a wonderful presentation about hazard and disaster simulations. It was followed by an engaging Q&A session.

We also wanted to take this space to announce that **Applications are open for the NHERI Summer Institute** (June 21-23, 2023). You can find all the information you need regarding the Summer institute [here](#) or you can jump directly to the [application form](#).

We at NHERI GSC recognize how intimidating it can be to apply for such opportunities. That is why we've included the names and emails of NHERI GSC students who have successfully applied to and participated in the Summer Institute in case you have any further questions or concerns.

- Kanika Lamba (klamba@iastate.edu)
- Jasmine Bekkaye (jbekka1@lsu.edu)
- Esteban Villalobos Vega (esteban.villalobos@ou.edu)
- Rakesh Salunke (rakesh.salunke@students.jsums.edu)
- Edwin Rajeev (edwinrajeev@ufl.edu)
- Jordan Nakayama (jon0003@auburn.edu)
- Holly Davies (hmdavie2@CougarNet.UH.EDU)

Additionally, if you are unsure as to whether to apply because of that pesky imposter syndrome, we are here to tell you that you are absolutely capable of developing a good application.

Thank you all for your time and attention,

--
