

May 2022 General Meeting Notes

- Meeting began at 12:01 pm EST
- This meeting was a small one due to many of our members being involved in conference travel and, otherwise, end-of-semester chaos.
- President was absent due to travel. Vice-president ran meeting.
- Agenda:
 - o Announcements
 - o Presentation on Leadership skills, lessons, and defining success (by Dan Zehner: NHERI Network Schedule and Operations Coordinator, Purdue University)
 - o Breakout rooms
 - o Wrap Up
- Vice-president opens floor for discussion on takeaways from NHERI GSC's participation on ACWE:
 - o Members mentioned that NHERI participated in two of the conference's sessions.
 - o Members gained experience in discussing research, getting to know the facilities, and networking with other graduate students and professionals.
- Reminders:
 - o Please contact the communications team to add events and conferences to the calendars.
 - o The [Conference Calendar](#) and a [Workshops/Events Calendar](#) are combined into one calendar on the [Events page](#) of the NHERI GSC website which may be used to keep track or become aware of new opportunities.
 - o Please register for the [NHERI Summer Institute \(online participation\)](#)
 - June 20-22
 - o Please Register for the 47th [Natural Hazards Workshop](#) & [Researcher's Meeting](#):
 - July 10-13; & 13-14 respectively
 - Deadlines have passed. However, email Robin if still interested to see if anything can be arranged.
- Introduction on Dan Zehner and leadership presentation.
- Breakout rooms
 - o Earthquakes: Antonio Bobet, NHERI NCO Co-PI, Purdue University
 - o Earthquakes: Shiling Pei, PI NHERI TallWood Project, Colorado School of Mines
 - o Simulation/Computational Modeling: Adam Zsarnóczyay, Associate Director for Research Outreach, SimCenter
- Closing Remarks:
 - o NSF Proposal Writing Workshop

- Registration is required; however, it is open to anyone:
